

What is a Live-In?

The Live-In is a retreat weekend that is very different from the traditional type that emphasizes silence and private prayer. The whole purpose of the Live-In is to lead those who attend to discover a deeper and more personal relationship with Jesus Christ.

Most people who attend a Live-In seem to experience a new peace and deeper faith. Many claim that, at their Live-In, they received a whole new outlook on Christian faith and their life in general. They found new meaning in their life and a fresh desire to pray and read scripture.

The program involves a series of presentations on the basis of Christian life. There is a variety of speakers from many walks of life. Activities at the Live-In are varied and include recreation time. The entire program is uplifting, informative, and very enjoyable.

Please note: The Live-In is a Catholic-founded and Catholic-based retreat that welcomes people of all religious denominations to come and Get to Know Jesus. When a priest is available, participants have the opportunity to participate in the Sacrament of Reconciliation. The retreat concludes with the celebration of Mass, which welcomes all participants, their families, and sponsors.
